Write your Sibling

Everyone likes to get mail! Send your sibling a letter, card, postcard, or even an email!

NMSU Students, remember there is a Post Office in Corbett -- you can even buy stamps there!

Take a 'Virtual' Tour

Log into Zoom or Teams and take each other on a tour of your space. Have you gotten something new since you last saw your sibling? Show them! Or just take a walk around campus and learn more about your sibling's life at NMSU. Schedules don't line up? Take a quick video and send it to your sibling.

Watch a Show or Movie with your Sibling

Sunday is a great day to spend some time with your sibling. Use Prime, Hulu, Disney+, Zoom or Teams - or any of the other watch party apps to spend a little time together apart watching your favorite show or movie!

Photo Journey

There are lots of ways to connect via photos. Take a photo of your favorite place, your daily life, something your friends are doing.

OR

Challenge you and your sibling to take a photo of "X." Be creative -- Have fun!

Stories of your Sibling

Email your favorite memory about your sibling to families@nmsu.edu. We will share them on our website!

Dress Like your Sibling

Dress like your sibling or have a 'twins' day.

Post the photo on your Instagram and #NMSUsibs.

Don't have Instagram? Email photos to families@nmsu.edu and we can share them!
